## OBJECTIVE

---

To contribute my innovative spinal surgery approaches in collaboration with doctors, medical teams, and hospitals around the world.

- Performed **over 5,000 successful cases** since 2003, specializing in **biportal endoscopic spinal surgery**
- Cases involve HLD, lumbar stenosis, lumbar fusion (endoscopic TLIF), endoscopic cervical decompression, etc.

## EDUCATION & CREDENTIALS

---

<b>Ain Al Khaleej Hospital</b> <i>Consultant Surgeon</i>	Abu Dhabi, UAE 2022 – Present
<b>Sri Ramachandra Hospital</b> <i>Visiting Surgeon</i>	Chennai, India 2024
<b>Burjeel Royal Hospital</b> <i>Consultant Surgeon</i>	Abu Dhabi, UAE 2021
<b>Various Spine Hospitals in Korea</b> <i>Director and Surgeon</i>	Korea 1996 – 2021
<b>Albert Einstein College of Medicine</b> <i>Visiting Professor</i>	New York, US 1994 – 1995
<b>Korean Neurosurgical Society</b> <i>Board Certification</i>	Seoul, Korea 1991
<b>Maryknoll General Hospital</b> <i>Internship and Residency</i>	Busan, Korea 1986 – 1991
<b>Kyungpook National University School of Medicine</b> <i>Doctor of Medicine (M.D.)</i>	Daegu, Korea 1982 – 1986

## LEADERSHIP

---

<b>Executive Director of Korean Minimal Invasive Spine Surgery (KOMISS)</b>	2021 – Present
<b>Director of Korean Research Society of Endoscopic Spine Surgery</b>	2021
<b>Chairman of Korean Unilateral Biportal Endoscopy Society</b>	2020 – 2021
<b>Keynote Speaker of Third Westlake Symposium on UBE</b>	2022
<b>Director of KOMISS Symposium and Cadaver Workshop</b>	2015
<b>Director of Third Didactic Course of Endoscopic Spine Procedure Workshop</b>	2015

## MEMBERSHIP

---

<b>North American Spine Society (International Chapter)</b>	2009 – Present
<b>Korean Neurosurgical Society</b>	1991 – Present
